INTERNATIONAL SYMPOSIUM IN PLASTIC SURGERY
11TH CONGRESS OF ITALIAN AND AMERICAN PLASTIC SURGEONS
BOLOGNA – ITALY 25-28 JUNE, 2008

Dear Colleague and Friend this is an invitation to

A MOMENT of REFLECTION
International Symposium in Bologna 2008
20 years after the Bologna Symposium of 1988.

For the “Veteran” participants it will be a revival, a good occasion to reflect on what has been shelved in their surgical practice, what has been adopted and what is still popular.

For the new participants will benefit from the old and the new and present what they do and would like to change.

Bologna and surrounding are still nice and hospitable, rich in culture and history.

Best regards

Paolo G. Morselli

PS : please find attached the preliminary program of the Symposium.
